

# **ATTENTION ALL RIALTO RESIDENTS:**

**Are you against underage drinking and drug use?**

**Come contribute your thoughts to help us understand how to effectively fight this battle.**

## **Rialto Community Coalition Strategic Planning Retreat**

**Saturday, 2/21/2015, from 8AM – 1PM  
at the Fire Station Community Room  
1700 N. Riverside Ave Rialto, CA 92376**

We need your suggestions; your insights; and your creative thoughts! Please join us as we discuss innovative ways and best practices to address the prevention of underage drinking and drug use. **We need everyone's input; but we especially need to hear from Rialto youth. Who better to ask than them? What are the reasons that young people experiment with drugs and alcohol? And what can we do, as a community, to prevent them from going down that path?** Refreshments will be served.
